# PRINCIPAL'S MESSAGE

To be young when Manitoba is celebrating her hundredth birthday places you in a unique position. You have the benefits of the hard-won successes of your forefathers combined with the unknown but challenging paths of the future. If you were to take a backward look over the last one hundred years, you would see young men and women imbued with enthusiasm, vigour and the spirit of adventure laying the foundations for much of what we enjoy today. It would therefore seem to be an appropriate time for all of us to dedicate ourselves to some worthwhile endeavour for our country and our fellow men. Dr. Schwitzer expressed it well when he said, "Whatsoever you have received more than others in health, in talents, in ability — you must not take it to yourself as a matter of course. You must render in return an unusually great service of your life for others". Let us then take pride in the past, catch the buoyant spirit of the present, but most of all, let us accept with unbounded enthusiasm the challenge of the future.

## Editorial

It has been a privilege for us to present Churchill with its 1970 edition of the Victory.

The book has been dedicated to the Province of Manitoba who in 1970 celebrates its 100th year of existence as a province. Churchill High School is a part of Manitoba and throughout the term of 1969-70 had a great time as mighty Manitoba is and will have this whole year.

We can think back about our 3 City Champion sport teams as well as our excellent debators. "Brigadoon" will be remembered as a successful occasion as will the Churchill Coffee Party. And nobody will ever forget the messed-up faces of the pie-eaters and throwers of Pep Week.

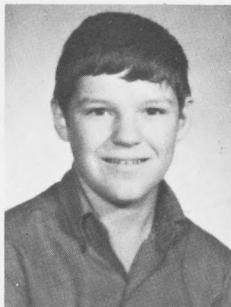

We would like to thank all of the department heads, the staff advisors, or advertisers, and the students of Churchill High School who made this book possible.

## PRESIDENT'S MESSAGE

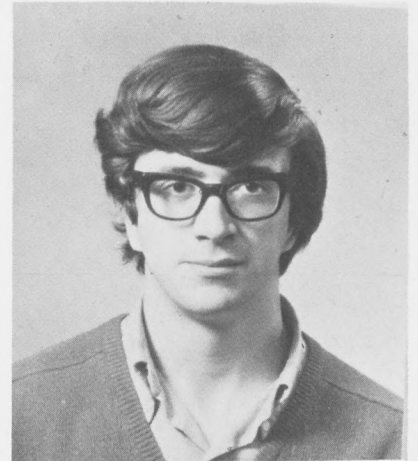

Rick Town  
President

On looking back at the year that has just slipped through our fingers, I can say that we have had a pretty normal year go by.

Pep Week came and went, dances rose and fell, and fell some more. The Unesco Conference came, but not enough people got really involved. Life still went on day to day without anything really earth-shattering happening. That seemed to be the big trouble. The Mighty Bulldogs captured the "big one" for the **3rd** time in a row, yet, everyone seemed reluctant to "blow their cool". When the lid should have been flying, everyone was still controlled and sedate. Perhaps Churchill has been spoiled by success.

When you consider that if something that big ever hit a district like... say St. Paul's, the whole district would have been plastered, and celebrations wouldn't have finished yet, you start to wonder. Maybe we're getting too used to rolling in the spoils? I hope not. Every year we win it, it gets that much harder to win. Don't anyone ever forget that. Just because the "big Dog" seems unbeatable, doesn't mean it is.

If the Bulldogs win next year (there's no doubt for me and I won't even be here), they'll make the greatest feat ever; one that will **never** be broken. It will make 4 in a row. So let's get behind them and make sure they make it - blow the lid off the district and show 'em you really care.

Ron McCaskill  
Vice President

## VALEDICTORY ADDRESS

As valedictorian of the graduating class of 1969-70, I would like to put this question to each student, "What have you gained from your education?" There is an old cliché that goes like this, "You get as much out of something as you put into it." I believe that this holds true for education. For this reason, it is impossible for me to sum up what the last twelve years has meant to the class as a whole because each student has gained something different. Instead, I hope to challenge you to seriously my question in your own mind.

Looking back, twelve years seems like an awfully long time. You probably cannot remember the difficulty involved in tying your first shoelace or the frustration felt in developing a perfect handwriting which for most has quickly deteriorated. These experiences and others seem very vague now. Furthermore, someday you will not remember freezing your feet, or losing your voice at a football game, or some of the classroom incidents that added enjoyment to the daily routine. No matter how faded your memory becomes, all this time was devoted to creating your character.

You have attended school during the most impressionable years of your life, and the six years spent in Churchill High have probably seen you develop from childhood to mature adolescence. As a result, your experiences in school, both good and bad, have been a vital ingredient of learning. Man has, for sometime been under the misconception that as he accumulates knowledge he is becoming wise. In order to attain wisdom it is necessary to get understanding. In Churchill, you have received a solid background of knowledge over the years, yet some may feel that the courses have not given them a greater understanding of life. However, you must not overlook the fact that student activities are also a part of the school curriculum. Certainly the responsibility of organizing activities, the friendships found in twelve years, and even the disagreements with staff and other students have influenced you in forming your attitudes towards life.

You are now facing the end of one educational experience. Some will continue on to higher education, while others will go directly into the business world. It is necessary that you never begin to feel that you

have finished your education because, when you stop learning from the world around you, you stop living. I'm sure even the staff will agree that they learn something worthwhile from the students every now and then.

Although you may not realize it, both teachers and parents have put a lot into your education. Someone said to me once that where thanks is due it is most often forgotten. Your parents have always stood firm in the belief that education is important. At the age of five, your parents sent you to school for the first time - not because society forced them but because they had a real concern for your well-being.

Long after the facts and formulas have been forgotten, you will remember the "personalities" that taught them. Your teachers have taken the time to know more than 100 students a year as people and not just fact-filled robots. They probably know you better than you give them credit for. There have been disagreements and mistakes on the part of both teachers and students, but the important thing is that you learn through them. It is important to realize that this is the way life will always be.

What about the future? It is hard to imagine what kind of world you will have to face. Today's generation is endlessly warned that it faces a future time of war, depression, famine, pollution and overpopulation, **unless** something is done. This could seem discouraging except that you have one thing going for you and that is youth. Youth is not an age as some would like to label it. "It is a spirit, whose other name is faith. It is an eye set on the future; it is anxious for tomorrow because it believes that tomorrow will be better than today."

In the last years you have been given the opportunity to form opinions and ideas, and you must use the knowledge and wisdom you have gained from an education to carry them out effectively. As you leave Churchill High, I hope that you will take these thoughts from an anonymous writer,

"I am only one but I am one  
I can do little, but I can do something;  
And what I should do and can do  
By the Grace of God, I will do"

# CHURCHILL BULLDOGS

The Churchill Bulldogs did it again. For the second consecutive year they neither lost nor tied a game to become City and Provincial Champions for a third year in a row.

To quote Vince Lombardi: "Fatigue makes cowards of us all." The Bulldogs could never be called cowards as shown through their successful hard work. From the middle of August to early November, the Bulldogs went through the rigors of football, much the same way as a professional football team does. They ran, grabbed, exercised and practised plays to achieve the timing and perfection that a Champion Team needs. There were the usual hinderances, such as the mosquitoes, the weather and enemy scouts but nothing made the team quit. Through meetings and intense competitions between rookies and veterans and "girls" and "hogs" the Bulldogs developed a unity that enabled them to play the game of football together as a team.

On the field, the Bulldogs were the smartest looking of all the ten high school teams and the credit must go to the managers and trainers, who taped every thing from ankles to forearms and cleaned and fixed every available piece of equipment. A group of statisticians were present at every game, carefully recording valuable information from which Coaches Puchniak, Quelch, and Bilodeau could use to find out what facets of the team's play needed improving.

The regular season began with a rather easy win over Kelvin and ended in the same fashion with a victory over Gordon Bell. In between, the Bulldogs handled the improved Grant Park Pirates, St. Paul's Crusaders and the two tough teams in the North, St. John's and Sisler. St. John's proved some opposition in the semi-final, but after beating them, the Bulldogs went on to defeat the Spartans, from Sisler. The Bulldogs then achieved automatic Provincial Champ-status, when the Deloraine Colts defaulted the game.

This year's offense featured the outside rushes of Jim Morgan and the inside slashing running of Jim Cumming and Ward Ketcheson. Although a predominately running team, the Bulldogs had the passing arm of Jack Ackland.

The defense played an orthodox alignment with not much blitzing due to the outstanding charge of the Front Four.

This year's all-star team featured 6 Bulldogs - Jim Cummings, Bart Evans, Rick Hiebert, Jim Morgan, Doug Palmerton and Tom Sherbrook.

Next year, Churchill will be trying and playing like all the present day Churchill teams - like Champions.

# CROSS COUNTRY

## JR. HIGH GIRLS

These girls could be seen every morning at eight o'clock running up and down the river bank. Their hard work was rewarded when they captured third place in the city standings. The team ran at Churchill, Omen's Creek, Kildonan Park, Assinaboine Park. Congratulations girls.

**ROW 1:** Lynn Kowal, Mary Phillips, Laurie Munro, Kerry Semple, Cindy Whettell, Barbara Everrat, Elaine Desjarlais.

**ROW 2:** Sharon Ashley, Joan Maconnell, Jackie Cox, Leanne Nikkel, Joan Marowitch, Sheila Burns, Shannon Macdonald.

**ROW 3:** Grace Smeal, Su Daniels, Jane Gobelle, Wendy Wallace, Pam Goodchild, Danna Livingstone.

## SR. HIGH GIRLS

In the Senior High division of cross country it was decided that only one meet would be held. The meet was run at Elmwood High and our girls managed to obtain a fourth place standing. A considerable improvement over other years. Maybe next year we will have a championship team.

**ROW 1:** Laurie Waddell, Sharon Doney, Bev Galbraith, Karen Fletcher, Milka Stretavsky.

**ROW 2:** Donna Lambert, Trudy Parkinson, Marinda Stretavsky, Janice Whitlock, June Singleton.

## JR. and SR. HIGH BOYS

Under the able guidance of Coach Taylor, the boy's finished fifth in the weekly competition. Races this year were held at Kildonan Park (1), Assiniboine Park (2) and Churchill (2). Robert Laidler's performance was the highlight of the team as he constantly placed in the top ten. He also represented our school in the provincials. Other notable and regular competitors were Alexander, Chorney, Kirkness, Morrin, Nikkel, Reczek, Stefaniuk, and Taylor. With everyone returning next year except for Coach Taylor, Kirness, Stefaniuk, and possibly Laidler, the team should fare a lot better. (Remember the Alligator Pit).

This year the boys played hard, but did not win enough games to make the playoffs. The boys would like to thank Mr. Hutton for his time spent coaching.

## JUNIOR HIGH SENIORS

This year under the fine coaching of Mr. Gajadar, Churchill was able to produce a fine team, which won its division with a record of 4 wins, 1 loss, and 1 tie. The finals this year was between 4 teams. Churchill lost both games and finished in fourth place in the city. Mike McKee was the leading goal scorer with 9 goals.

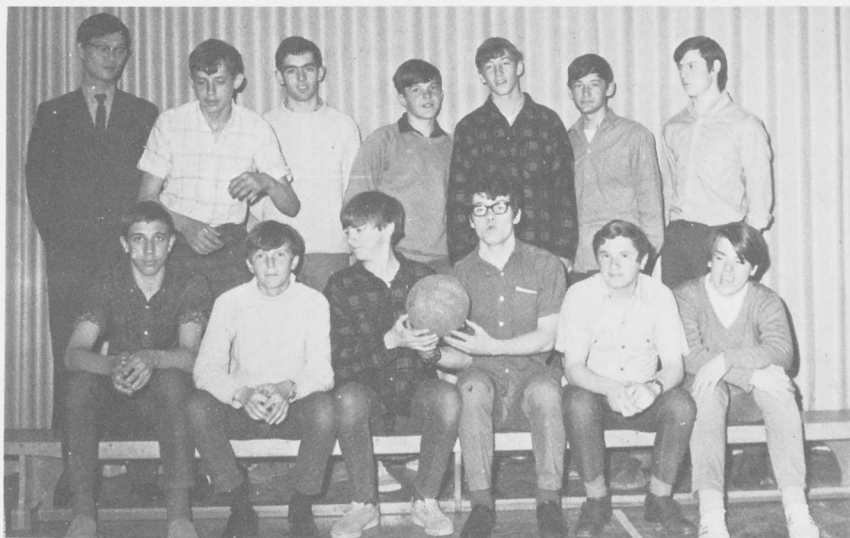

ROW 1: Ricky Ross, Les Oakes, Mike McKee, Rick Thomas, Joseph DiCurzio.

ROW 2: Mr. D. Gajadhar (coach), Ronald Alexander, Jim Waggoner, Richard Westwood, Jack Omand, Richard Karkota.

# SOCCER

## FRESHMAN

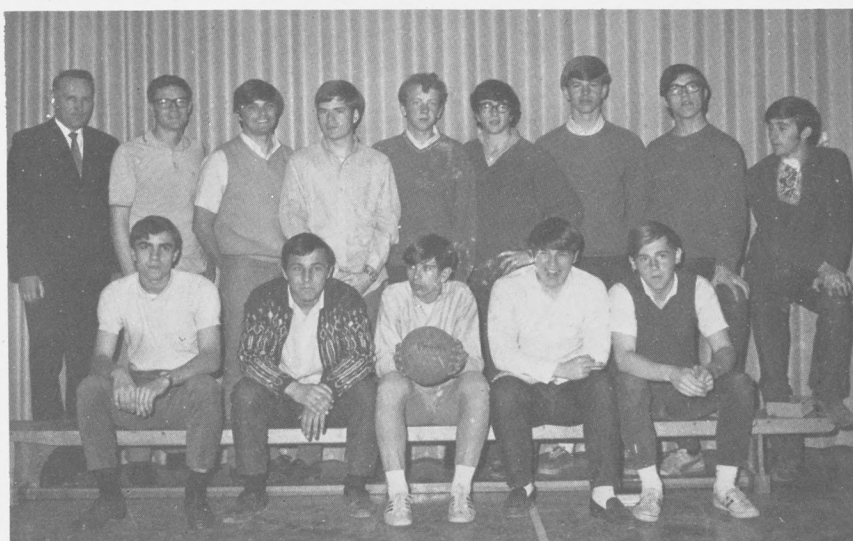

This is not the year for our Freshman soccer team. Constantly playing shorthanded, we managed to win just one game over Gordon Bell during league play. However the boys did their level best. Next year when we get a full team assembled, we will be able to turn the tide.

**ROW 1:** Gerr Wilson, Tom McFetridge, Dave Lyons, John Harwood, Jack Fotheringham, Eric Hunt.

**ROW 2:** Mr. D. Chow (coach), Tony Ruban, Robert Morrin, Raymond Shupena, Richard Crawley, Brent Millar, Tom Krawetz.

## VARSITY

Our Varsity Soccer Team won the South Division however they lost to St. John's in the semi-finals. It must be admitted that Churchill must improve on the quality of its soccer teams to defeat the North teams.

**ROW 1:** Aldo Tacchi, Randy "The Affectionate Nibbler" Wlosek, Gary Aubert, Wayne Ives, Ian Willows.

**ROW 2:** Coach DeJersey, Stan Botch, Andy Stefaniuk, Laurie McIvor, Dave McFetridge, Ron McCaskill, Paul Smeall, Tony "Burs" Buss (captain), Jack Tate.

# FIELD HOCKEY

**ROW 1:** Trudy Parkinson, Linda Sulkers, Joanne Muirhead, Sharon Doney, Bonnie Barrie.  
**ROW 2:** Laurie Waddell, Nora Quarnstrom, Janice Whitlock, Debbie Darracott, Miss Eglin, Jackie Taylor  
**ROW 3:** Lesley Cook, Denise LeClaire, Lendre Rogers.

## FIELD HOCKEY

This is only the second year that this exciting sport has been played in city schools. Due to the bad weather that we often get in the fall, it was decided that all games would be played in one day. The competition was set up in the form of a Round Robin tournament; the victor would become the city champions.

Our teams superiority was evident as they breezed to easy wins over Kelvin, Elmwood and Gordon Bell. The next game was the main competition. The team had met Daniel Mac. twice before, the result one win and one loss per team. After a hard battle the Churchill team emerged victorious with a score of 2-1. The final game was played against Grant Park which added another win to Churchill's perfect record and made them City Champs.

The girls did not do as well in the Provincials but still obtained a third place standing; special thanks to Miss Eglin for her able coaching and organization of the Round Robin tournament.

# VOLLEYBALL

## JUNIOR HIGH JUNIORS

Despite the many hours of practice and the fine coaching of Mrs. Peacock, the girls were unable to make a good showing. They did however maintain a high standard of sportsmanship and gained valuable experience.

**ROW 1:** Deb Bilton, Joanie McPherson (co-captain), Debbie Ives, Pam Reid (captain), Bev Lechowicz, Dianne Doney, Maureen Okopski.

**ROW 2:** Maureen Kendall, Lynda Nero, Karen Mathieson, Bev Sura (manager), Karen Land, Donna Ziesman.

## JUNIOR HIGH SENIORS

Apparently this was not Churchill's year to shine in respect to Junior High Volleyball. Thank you to Mrs. Peacock for the many hours she spent coaching. Better luck next year girls.

**ROW 1:** Kathy Kimball, Joan Rathbone, Kim Pestrak (captain), Wendy Attree, Carol Tonwsley.

**ROW 2:** Su Daniels, Pam Goodchild, Barb Swarbrick, Wendy Wallace, Debbie Carmichael, Joan Marowitch, Wanda Ralcewicz.

## FRESHMEN

This year the girls hard work payed off. The team had a fine season with a record of 7 wins and 2 loses, which gave them a chance at the City Championship. Although the girls played well they were unable to obtain the city title. We hope to see the girls win the championship next year.

**ROW 1:** Clara Donato, Sharon Doney, Barbara Wuirch (captain), Donna Sanguin, Karen Fletcher.

**ROW 2:** Kathy Lloyd, Cathy Tinkler, Keith Wasylik (coach), Allen Wall (coach), Aynsley MacDonald, Sherri Mezzarobba.

**Missing:** Miss Eglin, Patti Riches.

# VOLLEYBALL

## JUNIOR HIGH SENIORS

This year's team didn't do as well as they expected to, placing last in their division with a record of 3 wins and 9 losses. Even though the boys did not win too many games they gained valuable experience and enjoyed playing. The team would like to thank Mr. Bridle who gave in many hours to coach the boys.

**ROW 1:** Charlie Bridle, Barry Jones, Alan Jones, Alastair McColl, Bruce Sanguin.

**ROW 2:** Richard Karkota, Ross Bonner, Mike McKee, John Nelson, John Bridle, Jim Waggoner, Ulrich Mueller.

## VARSITY

This year's edition of the boy's varsity volleyball did fairly well but not well enough to squeeze into the playoffs. They were led by the terrific spiking of Vic Nishi, and the perfect sets came from Dave Hardie and Jim "Goog" Kinsman. A very fine coach was provided in the form of Keith Wasylik, The nucleus of the team will be back next year with only two players leaving. This will be a real threat in the coming season.

**ROW 1:** Dave Hardie, Jim Kinsman, Aldo Tacchi, Randy Gibbons, Ross Wiggett.

**ROW 2:** John Graham, Vic Nishi, Ian Clark, Bob MacDonald, Ian Willows, Keith Wasylik (coach).

# VARSITY GIRLS VOLLEYBALL

ROW 1: Ann Powls, Donna Lambert, Ada Olsen.  
ROW 2: June Singleton, Tanis Wake, Marlene Porth, Gloria Slezak.  
ROW 3: Janice Whitlock, Joanne Muirhead, Claire Lloyd, Miss Eglin.

## VARSITY GIRLS VOLLEYBALL

For the second year in a row our talented Varsity girls volleyball team outshone all others. Under the fine coaching of Miss Eglin and Keith Wasylik the team set a commendable record of 8 wins and 0 losses. The girls then advanced to the city playoffs and after the same outstanding performance captured first place. Again the girls went unbeatable in the finals and captured the title of City Champions.

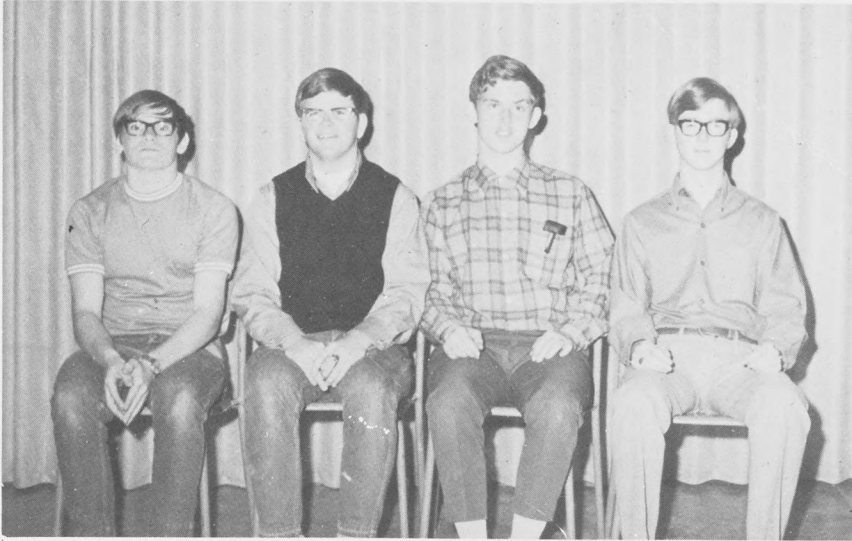

Advancing to the provincials the girls maintained the same standard of excellence and made their way into the semi-finals and finals.

Unfortunately the girls lost to Dakota which put them out of competition.

Congratulations girls!

## BOYS SCHOOL REP.

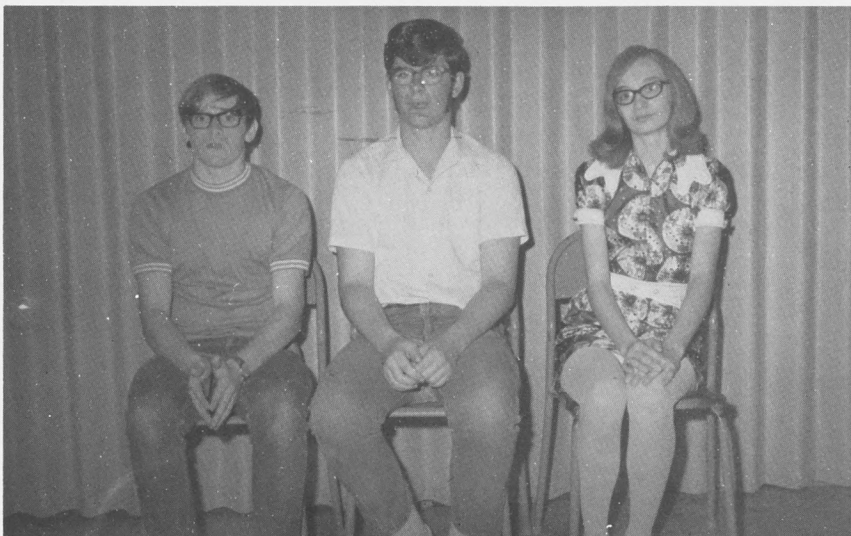

This team represented the school in the Inter-School competition. They won their first game but lost the second game, which put them out of the competition.

**ROW 1:** John Scott - lead, Gary Wiles - second, Gordie Gates - skip, Terry Naven - third.

## GIRLS SCHOOL REP.

Although the girls practised diligently they were unable to make much of a showing in the city competition. Better luck next year girls.

## SCHOOL LEAGUE CHAMPS

The team lead by John Scott won the school competition by going undefeated in the school bonspiel. Congratulations.

**ROW 1:** John Scott - skip, Wayne Petty - third, Kathy Mintenko - lead.

**Missing:** Rae Smith - second.

# BASKETBALL

## JUNIOR HIGH

The girls showed good spirit and sportsmanship but were unable to make a showing in their league. With a little more practise we could have a winning team next year.

**ROW 1:** Bev Lechowicz, Jan Stogryn, Pam Reid, Kim Pestrak (capt.), Carol Townsley, Vicki Cox, Joanie McPherson.

**ROW 2:** Kathy Kimball, Joan Marowitch, Su Daniels, Barb Swarbrick, Pam Goodchild, Bev Walker, Wendy Attree (manager).

**Missing:** Dianne Doney.

## FRESHMEN GIRLS

The Freshmen girls made a good showing this year with a record of 3 wins and 2 loses. Unfortunately they were unable to advance into the playoffs.

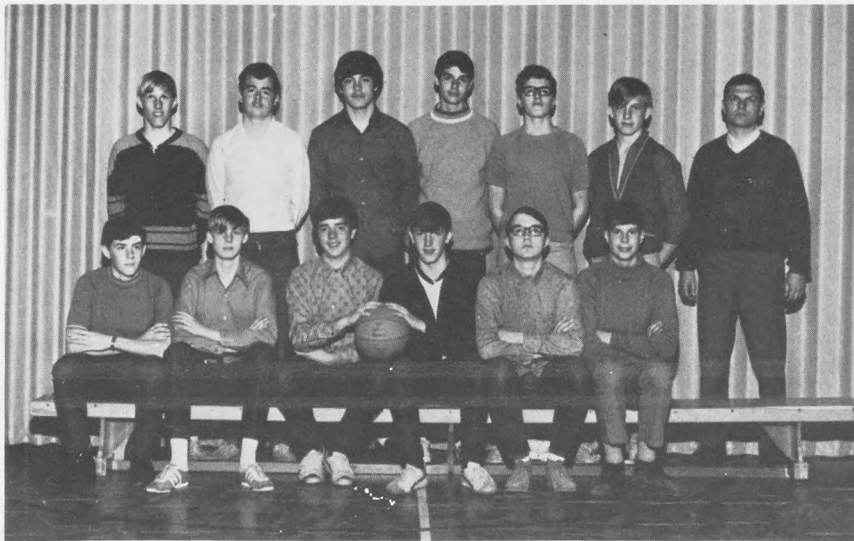

**ROW 1:** Dianne Donnelly (manager), Sherri Mezzarobba, Karen Fletcher, Clara Donato (capt.), Melva Ives, Sharon Doney, Jackie Broda (manager).

**ROW 2:** Cathy Tinkler, Barbara Wuirch, Anne Friesen (capt.), Linda Krawetz, Kathy Mintenko, Sandra Gardner.

# BASKETBALL

## JUNIOR HIGH SENIOR BOYS

This year, the seniors had a fairly successful season winning 2 games and losing 3. Unfortunately a 25-21 loss to J.B. Mitchell prevented the boys from entering the playoffs. Even though the team started off slowly, at the end of the season they gained much poise and experience. The boys would like to thank Mr. Puchniak for his time and devotion given to the team.

A good showing is expected from the boys next year.

**ROW 1:** Ian Wood, Eugene McNutt, Ross Bonner, Jim Waggoner, Andy Morris, John Alerdice.

**ROW 2:** Richard Karkota, Mike McKee, John Nelson, Richard Westwood, Tony Klymchuk, Gerald Marks, Coach Puchniak.

## FRESHMEN BOYS

This year the boys lost several key games by one or two points. They had a league record of 3 wins and 6 losses and a seventh place finish. In exhibition games the boys had a record of 5 wins and 3 losses. The leading scorer on the team was Tom Stadnyk. The boys will form a good bench strength for the Varsity team next year.

**ROW 1:** Robert Craig (manager), Dennis Nault (manager), Dave Lyons, Jeff Wood, Arland Haus, Pete Zeglen, Gerry Wilson.

**ROW 2:** Mr. B. Trump, Gerry Bell, Robert Morrin, Tom "Broadway" Stadnyk, Reg "Star" Foidart, Peter Nikkel, John Paulishyn.

## VARSITY BOYS

Coach Chubaty's first year at the helm of the Varsity Team was a disastrous one. The boy's finished in 8th place with a record of 2 wins and 6 losses, with 4 of the losses by less than 4 points. In the first Bulldog Invitational Tournament, Churchill defeated Garden City 43-40 in double overtime to win the championship. Churchill also made a good showing in the U. of Brandon Tournament. Bernie Nikolai, headed for the U. of W., was a co-captain and second team all-star. Bart Evans was also a co-captain. The grade 11 boys on the team should form a strong nucleus towards winning the Provincial Championship next year.

**ROW 1:** Randy "Nibble" Wlosek, Glen Downie, Gary Aubert, Andy Stefaniuk, Don Paulus, Ken Fowler (manager).

**ROW 2:** Coach Chubaty, Joe Di Curzio (manager), Ken Valainis, Abraham Kicis, Ted Rathbone, Bernie Nikolai, Bruce Wasylik, Ricky Ross (manager). **Missing:** Barton Evans.

# JUNIOR HIGH SENIOR BOYS BASKETBALL

**FRONT ROW:** Trevor Kusmack (equipment manager), Rick Ross, Bruce Sanguin, Joe Ives, Randy Swarek.

**BACK ROW:** Mr. W. G. Chubaty (asst. coach), John Parker, Brian Paul, Dave Davis (captain), Dave Venchuk, John Benson, Mr. G. P. Kornyk (head coach).

**Missing:** Joe Ciuro.

This year's edition of the Junior High Junior Basketball team was the most successful in Churchill's history, winning the city championship. With much pre-season practise and 5 exhibition games, the team was ready for their five league games in which they won quite handily including a 62-5 decision over J.B. Mitchell. By defeating River Heights for the South Division Championship, they advanced into the city finals. After losing their first game to Elmwood by a score of 22-19. They came back to win their next game by 26-6 over Aberdeen to put them back into the city championships, against Elmwood. This time they won and so brought back the trophy to Churchill. ON BEHALF OF THE PLAYERS THEY WOULD LIKE TO EXPRESS THEIR APPRECIATION TO MR. KORNYK FOR THE TIME AND EFFORT HE SPENT IN COACHING THE TEAM.

In the second day of competition June Singleton, Karen Fletcher, and Deb Bilton all qualified for the provincials. The Churchill girls dominated the shuttle and the shuttle hurdle relays. The boys although they could not match the performance of the girls managed to get some provincials representatives with Vic Nishi, Brian Fellows and Neil Feir in the High Jump at the Primary, Junior and Intermediate levels. Laurie McIvor will represent the city of Winnipeg school division in the 880 yards. The boys won all classes in the shuttle relays. At the end of two-day competition the boys stood 6th, the girls 3rd.

# JUNIOR HIGH FIELD DAY

## GIRLS

The Junior High girls field day this year was run as a Tabloid meet. Each girl who entered received one point for entering. Each girl had to compete in all six events, which included ball throw, high jump, long jump, standing broad jump, 60 yard dash and the 880 yard run. Standards were set in each event and each girl was given 1, 2, or 3 points depending on the standard she achieved. The total number of points possible per person was 18. The competition was Inter-room and each girl's points were added together to give a Room total. The girl in grade 7 with the highest number of points was Koralee Stewart with 17 points out of the possible 18. The top competitor in grade 8 was Grace Smeal with 18 out of 18 points. Congratulations girls.

**ROW 2:** Mr. Hutton, Bruce Sanguin, Carol Galbraith, Eric Hunt, Bill McGregor, Dave Lyons, Doreen Collins, Sharon Doney.

## GYM AND TRAMPOLINE CLUB

Gym Club was held every Monday and Wednesday night at 8:00. For most of the girls this was a training year. The school did not enter any competitions this year but hope to have a good team next year.

Trampoline Club was a new addition to our sports program this year and the girls made a fine showing in the competitions. They placed fourth in the competition at Elmwood and second in the one at Grant Park.

**ROW 1:** Sharon Ashley, Kim MacKay, Charlene Ritzer, Wendy Attree, Joanie McPherson, Melody Glaicar, Donna Bain, Ann Johnston.

**ROW 2:** Lesley Murray, Diane Lemke, Terry Kress, Jo-Ann Stefaniuk, Colleen MacDonald, Barb Swarbrick, Kim Pestrak, Pam Reid, Agnes Friesen.

# CHEERLEADERS

## JUNIOR HIGH

The Junior High Cheerleaders under the supervision of Wendy Bruckshaw had a very successful year. They practised noon hours during the winter and cheered at the Junior High Boys soccer, basketball and volleyball games. Shannon Macdonald was elected as captain and Maxine Schentag as co-captain.

**ROW 1:** Maxine Schentag, Shannon Macdonald, Heather Boswick.  
**ROW 2:** Marg Almond, Debbie Brennenstuhl, Kathy Campbell, Lindsay Cook, Barb Laidler.  
**Missing:** Joy Quarnstrom.

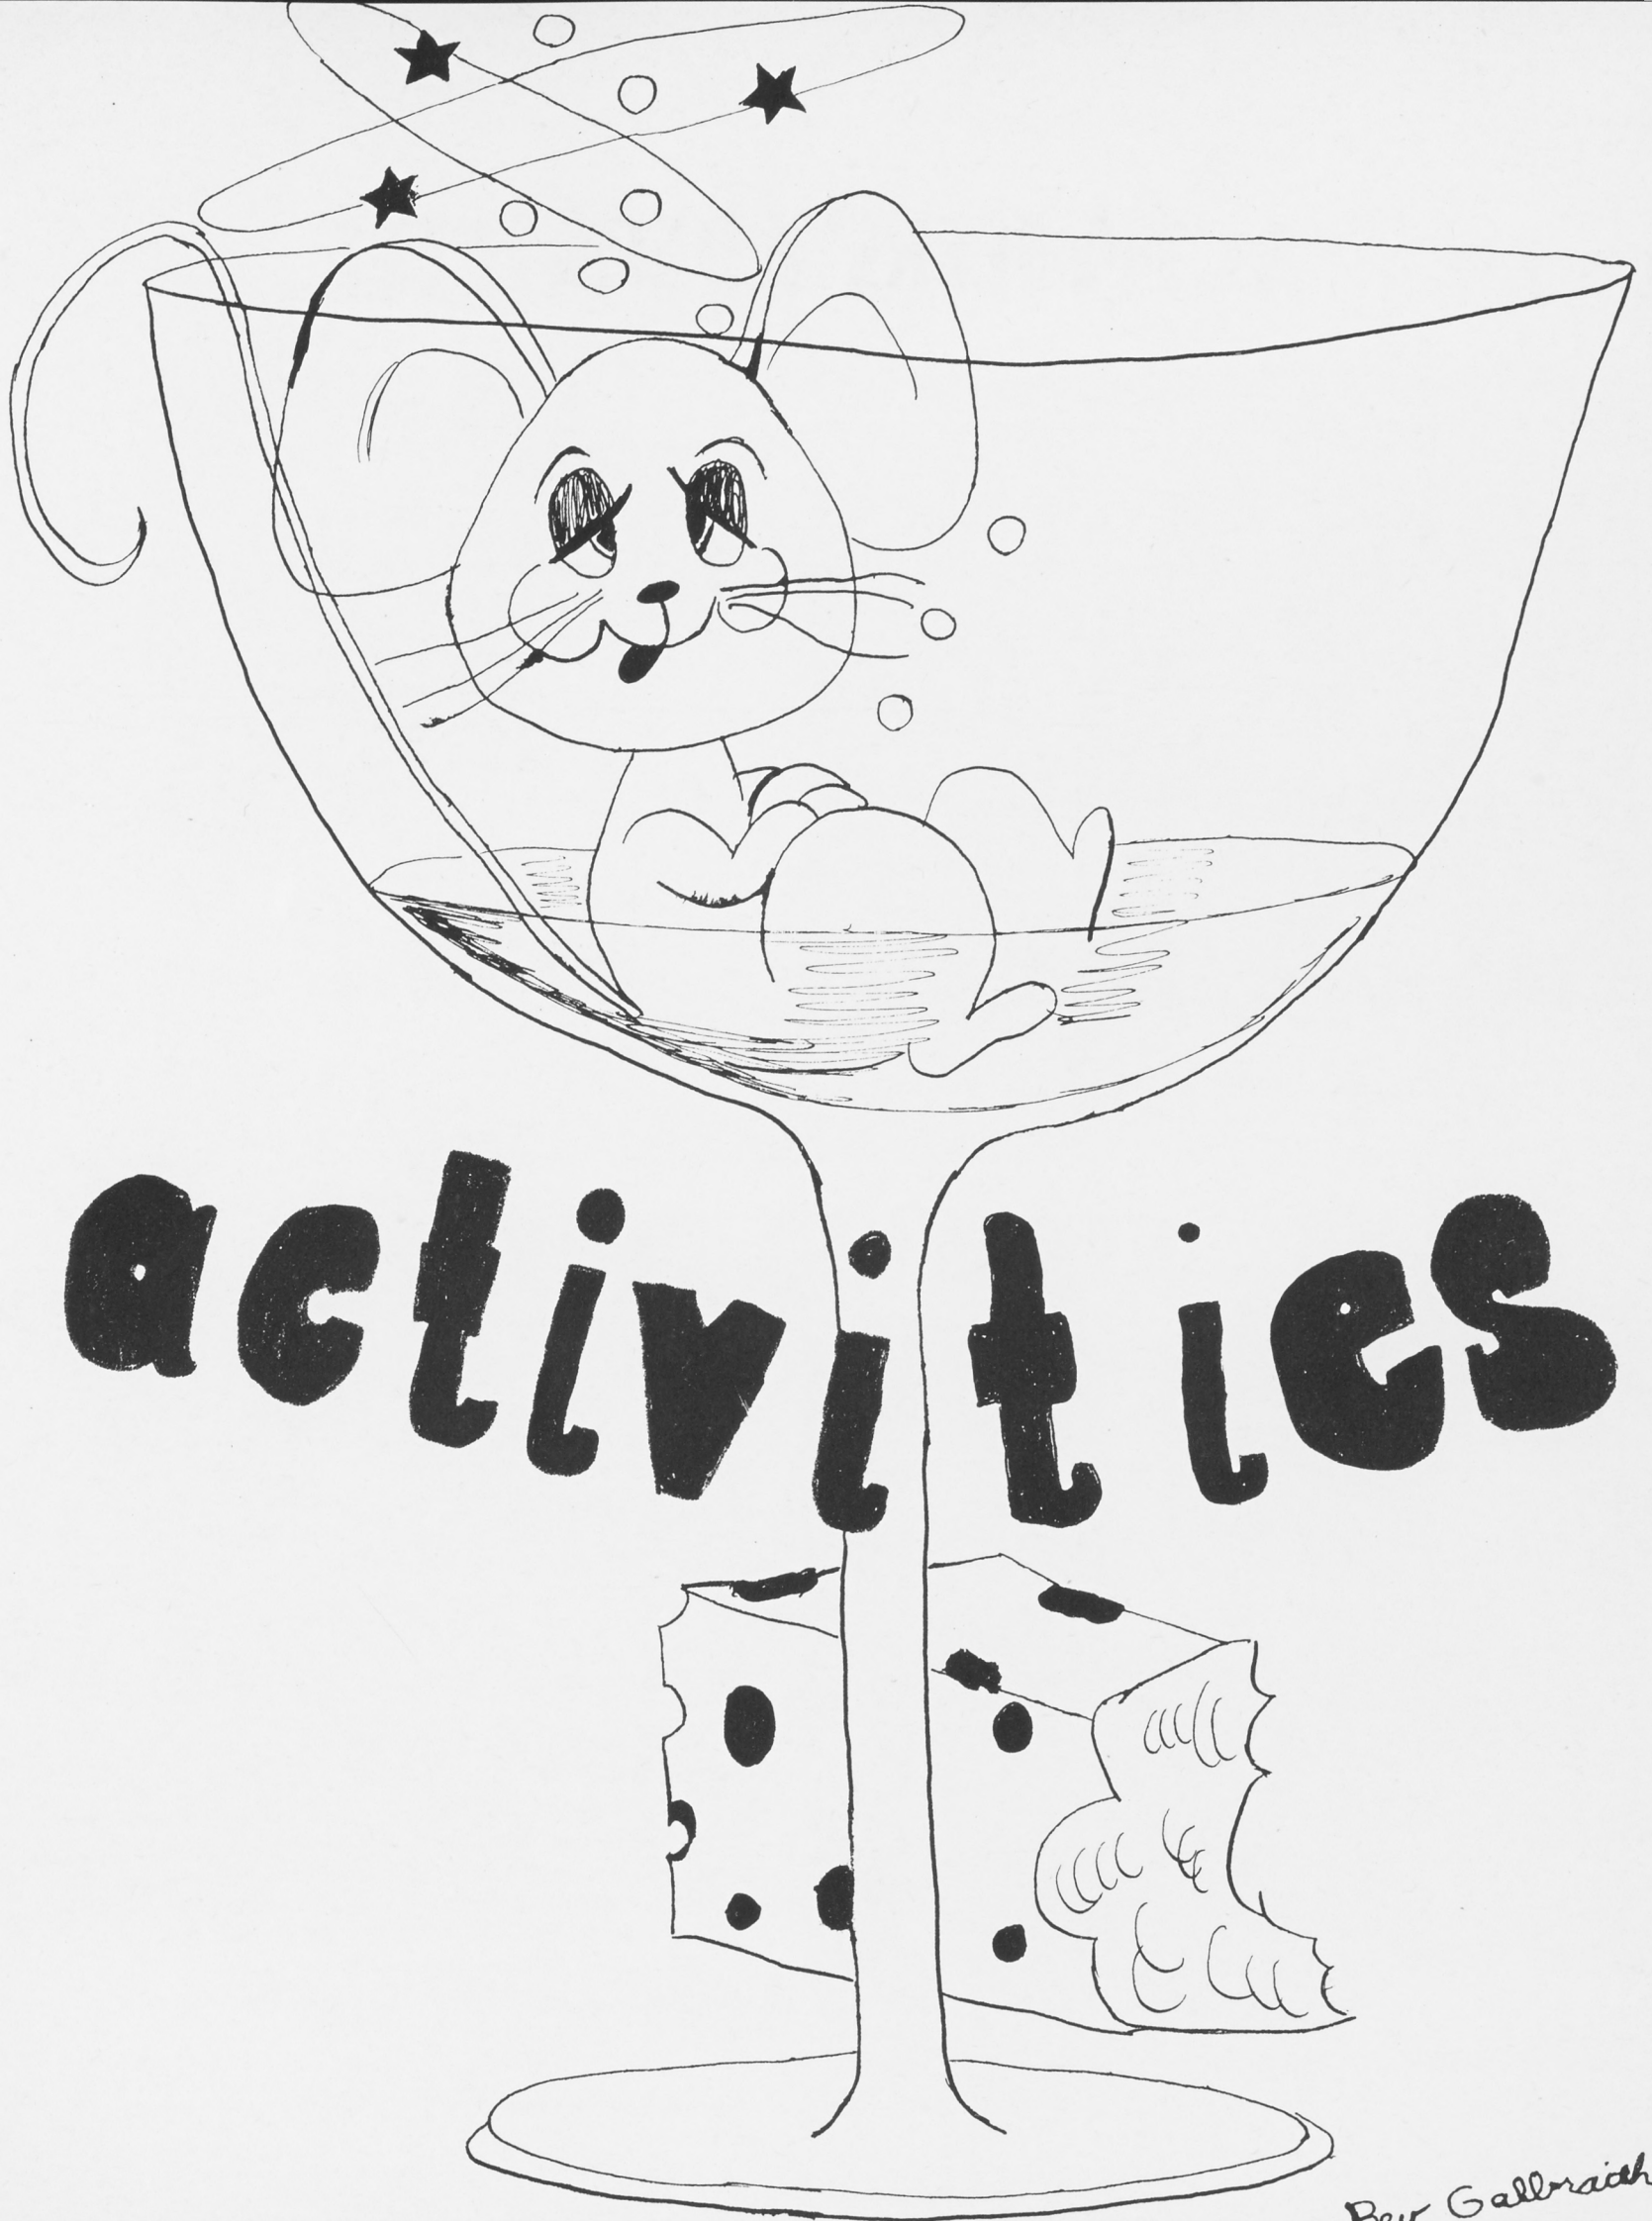

## SENIOR HIGH

**ROW 1:** Debra Peppler, Tannis Parrott, Lynne Sutherland, Charlene Smuchilla (capt.), Shirley Aldridge, Cynthia Hudon, Lesley Cook.  
**ROW 2:** Doreen Collins, Pat Almond, Wendy Bruckshaw, Diane Lemke, Lesley Murray.

# ACTIVITIES COMMITTEE

ROW 1: Lendre Rodgers, Duncan Daniels, Violet Playter.  
ROW 2: Andy Stefaniuk, Bear Pestrak.

This year the school activities were chaired by Andy Stefaniuk and president-elect Lendre Rodgers. Though there were not many activities this year, the ones the school had were great. The Senior High had a most successful dance with the Sugar and Spice which only goes to prove that with bigger and better bands they can have a bigger and better gathering.

Pep Week was most satisfying for all this year. Though some activities flopped the majority were a success. Remember through success you find pleasure.

# DEBATING CLUB

ROW 1: Mr. Fowler, Lendre Rodgers, Nancy Wilkes, Mr. McGlenen.  
ROW 2: Ron McCaskill, Debbie Olenick, Duncan Daniels.

## DEBATING CLUB

The debating club under the able supervision of Mr. Fowler and Mr. McGlenen, got underway in late October. The debators met every Tuesday and topics ranged from nonsense to a political union between the U.S.A. and Canada.

The highlight of the year was the opportunity for two members of the club, Nancy Wilkes and Lendre Rodgers to defend the inter-high school debating trophy. Defeating Kelvin High School in the semi-finals and Gordon Bell in the finals, made it possible for the trophy to remain in the school another year.

All in all, the year was a successful and a rewarding one for all club members and the members hope there will be an even greater response from the student body to join the club next year.

# VOX VICTORIAE

**ROW 1:** Debbi Gilchrist, Lynn Kowal, Shirley Aldridge, Debra Peppler, Lydia Lewysky, Mary Jane Ross, Cynthia Hudon, Wanda Ralcewicz, Mary Phillips, Colette Tellier.

**ROW 2:** Anne Friesen, Joanne Cosgrove, Lyndee Mass, Russ Wreggitt, Wendy Wallace, Kathy Mintenko, Karen Land, Fern Hampton.

**ROW 3:** Mr. E. McGlenen, Charlie Brown, Kevin Stuart, Don Johnston, Duncan Daniels, Andy Stefaniuk, John Harwood, Cam Stuart, Richard Unrau.

## VOX VICTORIAE

The school newspaper under the direction of editor Debbie Peppler has had a successful year. Three issues were produced and distributed to all students from grades 7 to 12. One of the problems confronting Vox Victoriae is to publish an issue which is equally as newsworthy, interesting and attractive to Junior High students as it is to students of grades 10, 11 and 12.

This year a Junior High newspaper appeared for the first time under the direction of Mrs. J. Bosace and a staff of capable Jr. High writers. The members of Vox Victoriae hope this newspaper has helped to bridge the gap.

For the first time, Vox Victoriae tried to go "pictorial". Simply stated, an effort was made to feature articles based on school activities and accompanied by sufficient photos. The three issues were reasonably successful in achieving this end.

Special mention must be made of those who gave generously of their time and effort including Mark Duncan and James Douglas (12-9) who provided much of the material and helped assemble the first edition.

The typists from 11-58, Shirley Aldridge and Maureen Crowell deserve praise for their excellent work in setting up the "type" in the measured columns. A hearty note of thanks to Kevin Stuart for his fine photography.

Since many of this year's staff from grades 10 and 11 will serve our next year's paper, we will look forward to another successful year for Vox Victoriae in 1970-71.

# DRAMA CLUB

**ROW 1:** Richard Ditchburn (director), John Fraser, Glen Hamilton, Brent Daly, Tannis Parrott, Dennis Nault, Shirley Adlridge, Gloria Michael, Carolyn Hoople, Christine Heddes, Leanne Harwood.

**ROW 2:** Michael MacKinnon, Robert Paulus, John Harwood, Cathy McGrath, Eleanor Robertson, Pat Parliament, Debbie Ginther, Carol Render, David Ditchburn, Rene Highway.

**Missing:** Gaylord Farquhar III.

## DRAMA CLUB

The Drama Club, called the "The Gaylord Farquhar III Memorial Acting Troupe" by its more prominent members, has taken part in many successful enterprises this year. At the Manitoba Theatre Centre annual School Drama Festival, its two plays "Episode in the Life of an Author" and "Blue Murder" were received very well by the public. Both had been hastily rehearsed, coming at the tail-end of "Brigadoon", but still amused the people who saw them.

Shortly after the Festival, a "Night of Improvisation" was arranged. This took place at the school on April 16. The improvised acting alternated with musical interludes in which Glen Hamilton and Rick Anderson played two guitar duets, and Dorothy Macbride and Carolyn Hoople sang and played guitar solos. The free performance ranged from ridiculous satire to "heavy drama".

The Drama Club's final attempt was this school's "Centennial Production" in which various members played cavemen, Indians, settlers, and explorers.

Some prominent members, such as Richard Ditchburn, director, lighting man and friend to all, will be leaving this year, but the Drama Club hopes to recover the loss and make next year's theatre just as successful as this year's.

# RED CROSS YOUTH

**ROW 1:** Kerry Semple, Sharon Ashley, Cindy Whettell, Olive Gunter, Patti Willows, Alison Chapman, Lynn Madec, Karen Mathieson, Tannis Wattis.

**ROW 2:** Mr. J. Derwin, Martin Wattis, Brian McAulay, Bob Sigurdson, Connie Parliament, David Bowness, Pat Parliament, Ruth Koehle, Valerie Paulishyn, Michael MacKinnon.

## RED CROSS YOUTH

This year's Red Cross Youth had an active season. It was active at school functions, providing chips in the lunchroom at noon hours and also at the Junior High "Cupid" Dance. Coat-checking was also provided by the Red Cross Club at most school functions. The Club provided refreshments for "Brigadoon", the Unesco Conference and staff in-service meetings.

Churchill's Red Cross Club was instrumental in the distribution of Christmas Hampers and was considered by the Red Cross Centre, one of the active clubs in this respect.

A successful blood donor clinic was held by the Red Cross Youth Club in the school auditorium at which, for the first time, students seventeen and over were allowed to donate.

Churchill High Red Cross participated in a provincial conference called "Youth in Action Week" by sending three delegates. The Conference, which was held during the Easter Holidays, was most enlightening and consisted of tours, cultural exchange of relevant problems and water safety.

The Club's project for this year was a donation towards the purchase of a Hemoglobinometer for the Red Cross Centre.

To all, from the executive, a pleasant summer.

# REACH FOR THE TOP

## REACH FOR THE TOP

Churchill's **Reach For the Top** team of 1969-70, Marilyn Godey, Jeff Dunn, Don Paulus, and Tom Sherbrook competed against the team from Vincent Massey on March 16th. In spite of a creditable showing from the group, the other team emerged victorious, unfortunately.

**ROW 1:** Tom Sherbrook, Don Paulus, Mr. McKenzie, Marilyn Godey, Jeff Dunn.

# CHESS CLUB

## CHESS CLUB

The Chess Club has had a very active year. In the first term, competition was held to select members of the school team for the Christmas Tournament. Team members were Rick Town, John Urkevich, Peter Pederson, Donald Connors, and Randy Morrish. After Christmas there was a tournament for the school championship. Winner of the "A" section was Rick Town and of the "B" section was Iqbal Jamal. Ladder competition has continued throughout the year.

# SCIENCE CLUB

## SCIENCE CLUB

It seems that year by year the Churchill High science club under the direction of Mr. Popeski has been growing in membership. With a great amount of work, effort and fun, the club managed to pull away with several awards. At a St. Boniface Science Fair, one of the projects "Speleology" stood in the top six of the 30 to 40 entries. In the Manitoba Schools Fair, two projects "DNA" and the "Uses and Misuses of Drugs" brought special recognition to Churchill High. Future plans for the coming year will be to attend various science fairs in and out of Manitoba.

**ROW 1:** Sue McCausland, Dianne Doney, Barbara Everatt, Robyn Swarek, Sherry Bucknell, Alston Chapman, Pat Dyke, Donna Ziesman.

## HOME EC. CLUB

The Home Ec. cooking club, in its second year of operation, was a great success. The club, which consisted of ten members made several foreign dishes besides a traditional Christmas Dinner. The club financed the dinners themselves and invited several teachers to each meal to sample the different types of food. All the girls contributed their time and knowledge to help make each meal.

The club was asked by Mr. Maddar if they would like to prepare the Businessman's luncheon. The girls were very enthusiastic about this and made a "delicious meal" as they were told by the Businessman's Club.

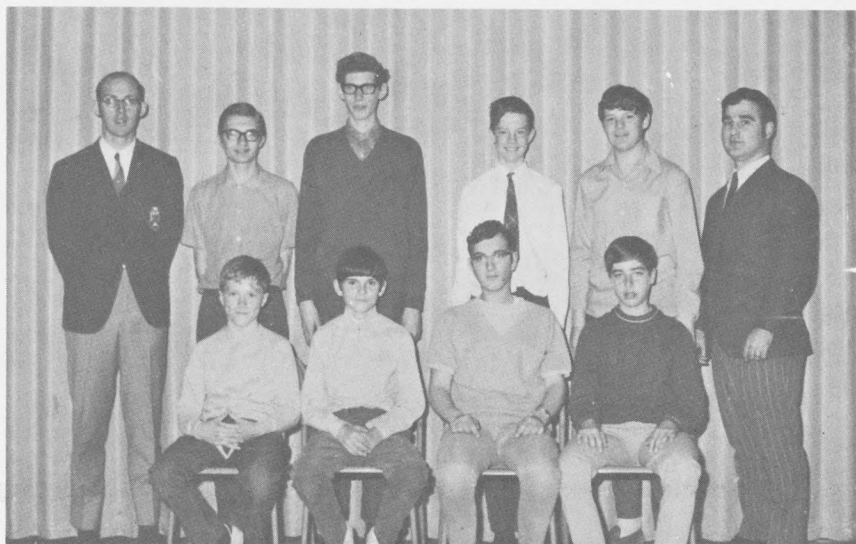

The club extends thanks to all teachers who made the club worthwhile and especially Mrs. Poersch.

# C.C.T.V. CLUB

## C.C.T.V. CLUB

This year a group of students met approximately once a cycle to learn some techniques of television productions. The operation of the closed-circuit T.V. system, including video tape recording and camera technique were studied. It is hoped that next year the school will have several capable student-technicians that will be able to operate the equipment in order to make efficient use of our system.

ROW 1: Lewis Cline, Keith Walley, Dominico DeLuca, John Giavedoni.  
ROW 2: Mr. B. K. Metcalfe, Alfred Bertram, Craig Neelands, Donald Macdonald, Kevin Stewart, Mr. Popeski.

# FRENCH VERSE SPEAKING

This year the Manitoba Modern Languages Association sponsored a Verse Speaking Competition in French and Ukrainian. The thirteen French students participating were divided into four groups according to their grade. Each group had a choice of three poems. After practising, the contestants were judged by Miss Redmond, Miss Truzka and Mr. Glanagan. The first and second place winners of each group were then asked to Gordon Bell High School to compete in the inter-high competition. Congratulations to Margaret Archer for being runner up in her group. French teachers are pleased with the interest shown by the students and with the fact that they do very well.

ROW 1: Robyn Swarek, Berna Buchanan, Joyce Kristjansson, Lyndee Mass, Wendy Morris, Linda Gordon, Janet Marowitch, Donna Bain.

ROW 2: John Getty, David Lettner, Gary McLean, Sean Anderson, James Scott, Todd Smith, Randy Swarek.

ROW 3: Mr. Metcalfe.

# MATHS CLUB

This year the Maths Club has been preparing two and three dimensional aestheometry projects for the M.C.T.M. Conference from October 15 to 17 next fall. Aestheometry is the aesthetics of geometry or artistic productions of the concepts of geometric forms and shapes. The club met once a cycle to work on the products as a group and to offer suggestions to other members.

# CHRISTMAS PAGEANT

## CHRISTMAS PAGEANT

On the afternoon of December 19, a Christmas Assembly, based on an original script written by Maureen Kendall, Barbara Bolan, Billie Johnston, Barbara Nicolson, Cathy Umlak, and Linda Gordon, was held in the auditorium.

The theme was that of the history of Christmas in Manitoba from the times when the Indians roamed the prairies until now. The Junior High rooms choir sang carols appropriate for each scene with Vivian McGuire as soloist. Latin students from rooms 36 and 37 presented carols in Latin. The choirs were accompanied by the orchestra conducted by Miss E. Folsom.

Thanks to Mrs. J. Bosace for her help in making the Pageant a success.

# FILM CLUB

## FILM CLUB

The Film Club has now almost completed their first successful movie. Since January the club has been working, under the direction of Don Vicors of the Library Services Centre, on a semi-documentary of Union Station.

Thanks also to staff advisors Mr. Metcalfe, and Mrs. Stuart.

**ROW 1:** Terry Bell, Darryl Wiebe, Uwe Osterwald, Martin Wattis, Kevin Stewart, Mr. B. K. Metcalfe.

# UNESCO

## UNESCO

Churchill High School's Affiliation with Unesco through the Associated Schools project continued to strengthen through the 1969-70 school year. Rick Town and Duncan Daniels returned from their five week trip to Jamaica as members of the YMCA work group. They were able to give direction to the Jamaica Club in their distribution of the \$10,000 raised by Churchill High students two years ago to aid in the Literacy program in Jamaica. Donna Sanguin and Joanne Muirhead are going to Jamaica this summer to continue the work started by Rick and Duncan.

Churchill High School hosted the annual Canadian Associated School Project meeting in late October. Teachers and students arrived from across Canada to begin four days of exciting, informative and fulfilled activity.

The conference was followed by the Pollution Probe meetings concerned with Man's Environment.

# UNESCO CONFERENCE

At this year's conference the theme was "Human Rights and Man's Environment". One of many events was a tour of Winnipeg which included such sites as the planetarium, the Metro Sewage Treatment Plant and the Canada Cement Plant. There were Panel presentations and group discussions on Pollution and Human Values in the City of Today. During these presentations delegates used simultaneous translation transistors so that there could be English-French communication. Reports were made by representatives from schools all over Canada on what their schools had done throughout the year for Unesco and on what projects are planned for the coming year. This was very informative and efforts will be made to acquaint Churchill students with the activities of other Associated Schools were made. Suggestions for the future included a request by Mr. Stewart, Secretary of the Associated Schools project, that regional conferences be held by as many of the Associated Schools as possible within the next year. Premier Shreyer spoke to delegates and guests about the conference topics at a banquet at the Marlborough Hotel. A summing up of events was presented by two Unesco officials, Mr. Bartlett and Mr. Hobles. All enjoyed the closing meal in the Winnipeg City Hall.

So many people were involved in the conference that it is impossible to thank all individually but thanks must go to Mr. Chappell; who was responsible for bringing the conference to Churchill.

# POLLUTION PROBE

## POLLUTION PROBE

The pollution probe held its 1st meeting on April 8. Under the direction of Mr. Chappell, it ran successfully for two months, with meetings held once a week regularly. The main purpose was to get others to realize that pollution has become a more hazardous problem as time has gone by. One of the ways and means of doing this was **Anti-Pollution Week**.

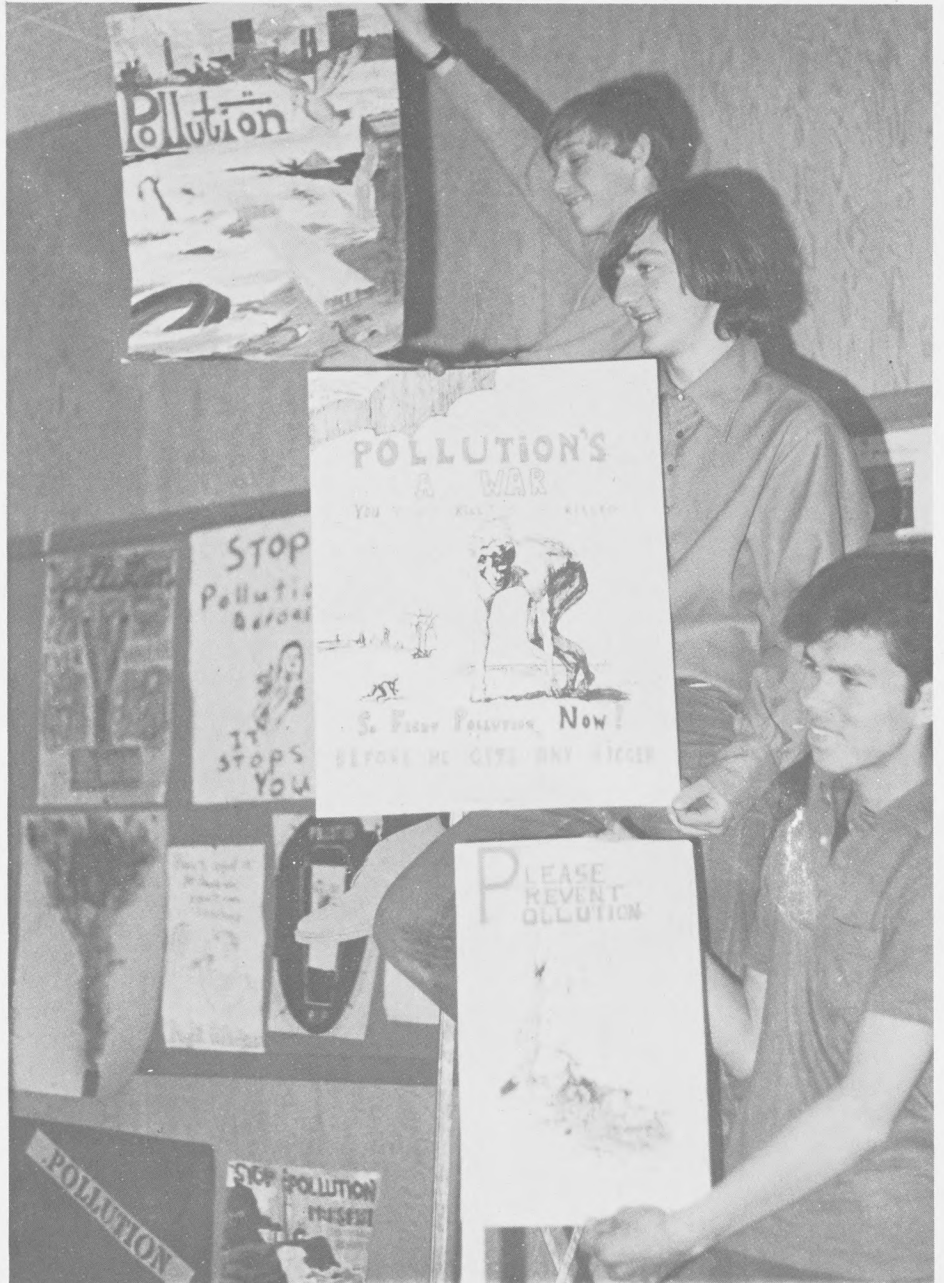

Mr. Longton, Mr. Archie Pick, Mr. Mike Lysyk, Mr. Rymer and Mr. Dave Crindle were brought in to give talks on general topics of pollution concerning:

1. Pollution and the Individual
2. Industrial Pollution
3. Ecosystem
4. Air Pollution
5. Water Pollution

Also, a paper, the Probe, was published daily to give information pertinent to the theme of the day. Films, posters, displays and questionnaires were also very much of this week. A poster contest concerning the pollution theme was also held with prizes going to:

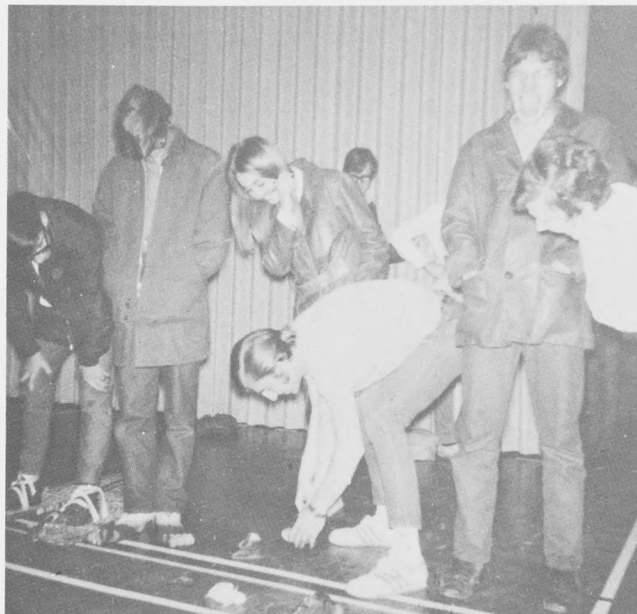

1st Darryl Wiebe	9-33
2nd Brian Gordon	11-4
3rd Sydney Kirkness	12-8

This week proved successful as it did arouse the interest of others about the dangers of pollution.

# PEP WEEK

## PEP WEEK

This year's Pep Week got off to a fine start with the Junior High Dawn Dance on Monday, Feb. 23. The daily Music Corner provided entertainment for the students. The Senior High Cheerleaders held a successful cake sale to raise funds for new uniforms. There was a rousing King vs Queen Basketball game at 12:30 with the Kings emerging Victorious. The Junior High Junior Boys South Division Final basketball game was held that night and the boys were not to be defeated.

The following morning the Senior High Dawn Dance was held but to the disappointed many it wasn't very successful. Unfortunately there was a lack of student participation. At noon the Staff put up a losing battle at the Student vs Staff Volleyball Game.

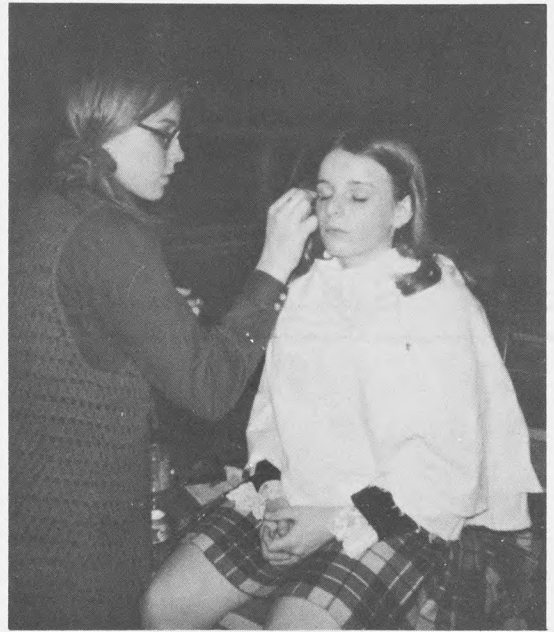

On Wednesday there was a student council cake sale and the indoor games that included the ever popular pie relays, pie throwing and the egg toss. The Folk Night was held for the Sr. High Students with such well known performers as Jim Donahue and Rick Neufeld.

On Thursday the Diamond TeRaa with the Teacher Amateur Band and the Honky Tonk Can-Can Dancers led by Mrs. Hurlbert provided a varied program of song and dance. Joey Gregarish was present for the Junior High Soc Hop at which the prince and princesses were crowned. There was a tie between Pat Stadnyk and Charlene Ritzer for princess and Bruce Sanguin was chosen Prince.

On Friday, noon hour activities moved outdoors with the annual snow games. Due to a hockey game, the Senior High Dance that night featuring "The Sugar and Spice" was not, overwhelmingly attended. However all those who were there enjoyed themselves and a new King, Bart Evans and Queen, Dale Williams were chosen. The Groovy Teacher awards went to Mr. Goldring and Mrs. teRaa.

# BRIGADOON

## ACT I

Brigadoon is the story of two Americans, Tommy Albright and Jeff Douglas, who are lost in the Schottish Highlands and stumble upon a village not on the map called "Brigadoon". At the village fair, Tommy meets Fiona Maclaren who is busy helping to prepare her sister Jean for her wedding to Charlie Dalrymple. Tommy, intrigued by the talk of a miracle and the odd quaintness of the town and his attraction to Fiona, decides to stay for the rest of the day. He and Fiona go off to gather heather for the wedding. Jeff, meanwhile, describes his own past history of love.

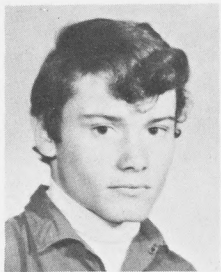

Later that day, Fiona takes Tommy and Jeff to visit Mr. Lundie, the town schoolmaster, who explains that Brigadoon was blessed two hundred years ago, and that it lapses into a sleep from which it awakens only one day in each century. No villager is allowed to leave, or the enchantment will be broken and the town will disappear forever. A stranger, however can stay if he falls in love.

The wedding of Charlie and Jean then takes place, and following the simple ceremony, Harry, the bride's broken-hearted suitor, decides to run away and destroy the town.

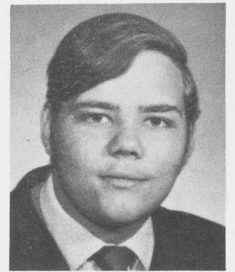

## ACT II

The men, in a chase through the forest, find Harry, but he is dead seemingly from having struck his head on a rock.

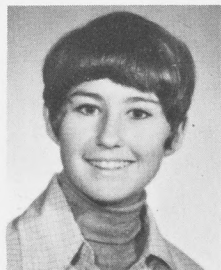

Tommy, confronted with the choice of remaining with Fiona or going back to America with Jeff, finally decides to return to New York. However he is restless and unhappy and decides to return to the Highlands in search of Fiona.

# COFFEE PARTY

The annual open house-tea held in the fall was changed to a Coffee Party. The idea was to make it a more informal setting, and visitors served themselves tea or coffee. Student participation was increased due to a profit sharing agreement with the school budget committee. Ticket sales exceeded those of previous years, with prizes being awarded to the top Junior High and Senior High salesmen.

Decorations in the auditorium were based on a Christmas theme, and some were sold to parents and students. Pictures, taken by Rick Town and Duncan Daniels when they visited Jamaica on a Unesco project, were shown to the public. A nursery was set up to take care of the children of visiting parents.

Special thanks to the chairmen Joanne Muirhead and Karl Ruban, for a successful day, from both a social and financial point of view.

# GRAD '69

## GRAD '69

The Closing Exercises were held at Crescent Fort Rouge United Church on May 30, 1969. Phil Backman gave an inspiring Valedictory Address and Dean John Clark spoke to the graduates.

For the first time the dinner and dance was held outside the school at the Charter House, Blue Room. Preceding the buffet dinner the traditional Grand March was held and the prize for the best decorated car was awarded to Vince Aiello and Carman Tamre. A police escort headed the parade of cars to the Hotel. Entertainment was provided by the "Lyme".

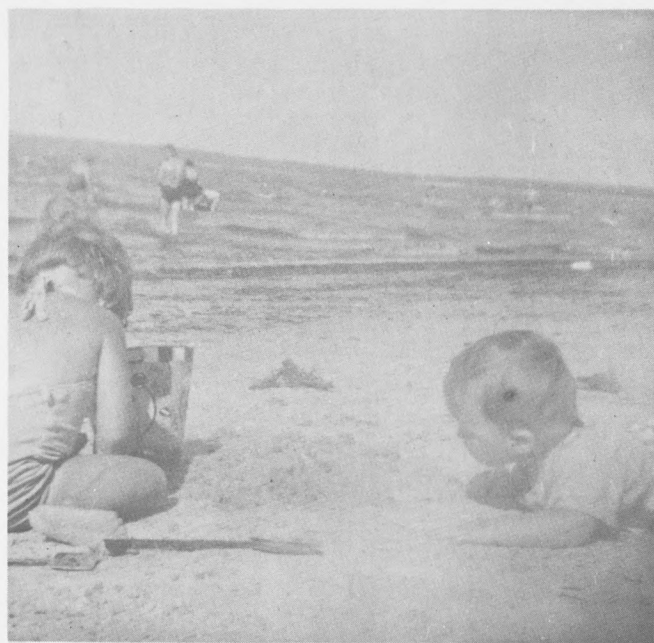

Congratulations to co-conveners Joanne Muirhead and Dunc Daniels for a very successful evening.

# ORCHESTRA

## ORCHESTRA

It was a rather uncertain start to a successful year for the Churchill High Orchestra. There seemed to be a shortage of all needed instruments and it was feared that the orchestra would never be.

But with the enthusiasm that is always contagious, Miss Folson, starting from scratch built the orchestra into a company of delightful players.

**ROW 3:** Jackie White, Mary Phillips, Beth Clarke, Deborah Ginther, Carol Anderson, Frank Brandon, Cathy McGrath, Agnes Friesen, Laurie Webb, Wendy Wallace, Sharon Rempel.

**ROW 4:** Glen Downie, Mike McKinnon, Glen Nakauchi, John Crozier, James Douglas, Rene Highway, Edeltraut Borchardt, Nora Quarnstrom, Pat Parliament, Ellen de Koning.

The 1969-70 season was a very exciting one. For the Senior High Choir it was a most rewarding one.

Mr. Hadfield, who has been with us for three years, has built the choir to a height it has never before reached.

"Brigadoon", the most difficult musical production this school has ever present, was an unanimous success. It was a highlight of the year and a milestone in the choir's history.

The choir's activities were not confined within the school. The C.B.C. asked them to perform two radio broadcasts entitled "Let's Sing Together", an educational music program for grades four and five.

The choir also played a prominent part in the Closing Exercises. They performed "Veni Creator", "Prayer to Jesus", and a very fitting end "Achieved Is The Glorious Work".

# CAST AND BEHIND STAGE WORKERS

## BRIGADOON CAST AND BEHIND STAGE WORKERS

This dedicated group of people under the direction of Mr. Hadfield and Mr. Chappell is the main reason why "Brigadoon" was such a success. They worked hard and diligently and we can only hope that all other Churchill operettas can be such a success as these people made "Brigadoon".

## OF BEARS AND BINS

I have been afraid many times in my fifteen years, but one incident sticks in my mind as a terrifying experience that I can never laugh or even smile at. Everyone remembers accidents that they had as a child - a car accident, a fire, a near-drowning - but very few have experienced my fear. When I was three, I fell in the Moose River, parka and all, but the first breath of choking water is only a dim recollection in my mind. The incident I talk of occurred three years ago, when I was living in Churchill, Manitoba.

In order to continue I must describe Churchill. Most people know that it is a port of Hudson Bay at the mouth of the Churchill River. It consists of several small areas, within a two or three mile radius. The part that I am concerned with is called Fort Churchill. It consists of the government offices and residences, the Navy PMQ's and recreational facilities, and the research worker's homes. The town is made up of long, two-storey units, each with about thirty or forty apartments linked by heated corridors. The housing units are contained in one area except for one isolated unit for Department of Transport and R.C.M.P. employees, where I lived. The recreational facilities are concentrated in F area, which also holds the pupils of the vocational school and the single quarters.

One significant fact about Churchill which I have failed to mention as yet and which distinguished it from other northern towns is that it happens to be in the middle of the migration route of the great polar bear. The reader must understand that this is through no fault of the animals, since they were there first. Actually, the majority of the bears wait near the town site only until the bay is frozen over and they can continue their journey, but in recent years, they have been more and more attracted by the town dump and the numerous garbage cans on the doorsteps. Each winter the residents are prepared for another onslaught of stragglers and lazy bears.

One Wednesday evening in late November, I discovered that the Garrison movie was "The Agony and the Ecstasy", and decided to go at 7:30. When I set out it had been dark for several hours and the air was a clear forty below. A wide band of green spanned the sky, and the snow reflected the stars. To get to F area I had to leave A area, walk along the road away from the bay and around the arena, past the hospital and turn to the closest entrance. At that time the bears had been around for a few weeks, each night leaving our block surrounded by footprints and crushed garbage bins. A few months later a bear came into our laundry room because someone had left the door open, and before the police could get him out, he had torn the stairs to splinters and left his mark scratched all over the walls. A bear is nothing to take for granted and all the people in Churchill know it.

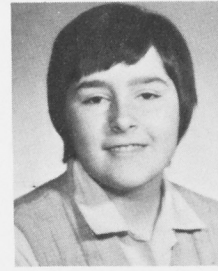

I made my way safely to the theatre but the one thought in my mind as I walked was, "Where is the best place to run if I bump into something huge and yellowish?" I never gave the animals a thought for two hours as I disappeared into Renaissance Rome. I made my way home, giving corners a twenty yard radius and almost but never quite running. As I walked over a rise in the road a form emerged from the right. I knew immediately that it was much too small to be a bear, but the reflexes of my brain were ahead of the logic. As the dog passed me I broke into a run.

Oddly enough many people in situations like mine think that nothing would ever happen to them. When people read of accidents they are a separated and indifferent case. People in general find it impossible to identify with victims of accidents, for they are always certain that they are the exception. People who smoke are aware of the danger of cancer, but they, of course, are invulnerable. In Churchill I was faced with reality, and I accepted it for what it was. I know people who had been mauled, and I also knew the Indian couple that had died at the hands of a bear that year. I know many people will think that I made a mountain out of a molehill, but I must deny that; I never thought that my fears were stupid or needless, and I still do not think they were.

The north, bears included, is a beautiful land, but it is a land where nothing can be taken for granted. My only hope is that civilization will not spoil one of the last stretches of unburdened land and sea and air.

## TRAPPED

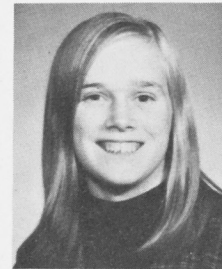

Maureen Kendall 8-52

Pollution! Oh! It wasn't carbon monoxide, either. The flies and mosquitoes were biting me, the bees were stinging my arms and legs. The rotting wood held many insects to add to my discomfort. The little piece where the wood was cut out of the door was my only source of air. The catalogue on the wall, frail with age, was losing its pages, which were now scattered numerously on the floor. I yelled and screamed. I even tried to break down the door. I passed out and came to several hours later. It was dark. Suddenly, I heard a noise which sounded like a rusty lock. Hurriedly, I pushed on the door to find it opened. Someone rushed by and I followed in pursuit. I just had to find out who it was that locked me in the outhouse.

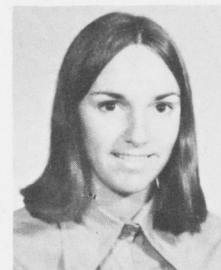

A man's reach should exceed his grasp,  
Or what's a heaven for?  
Should we be content with what we've got,  
Or should we try for more?

Is it wise to try to reach  
To something far away?  
Some say yes, some say no,  
Who's right? Nobody can say.

I think the failures in life aren't those who fall  
In attempts to reach past the sky,  
But those who give up before they start,  
Those who never even try.

## THE TRIAL OF MARGOT AMES

The soft July breeze was a gift from heaven after the torturing heat of the afternoon. Margot found the city especially hot after having lived in the country all her life, right near a lake where she could go for a cooling dip when it got too warm. She didn't know how much longer she would be able to last in the city but she knew she would never be able to return to the town where her very presence made people move when she walked by and talk behind her back.

It had happened almost a year ago when she was eighteen and fresh out of high school. Funny, she thought, how she always referred to her father's death as "it", as though it was an animal that she lived in fear of instead of an incident in her past. How the town had talked when the coroner announced that her father had died of arsenic poisoning, and not a heart attack like everybody thought. Margot could still remember, only too clearly, what Mr. Jackson, the coroner, had said. "Hugh Ames did not die of a heart attack, he died of arsenic poisoning!" The wizened old man never took his eyes off Margot's face during his whole testimony and the look of suspicion and accusation which they held made her shiver.

Everybody knew that Margot had hated her father with a passion, had accused him of murdering her mother when her newly checked brakes had given out on the highway and she sailed over a cliff. Everybody knew that Margot only stayed with her father because she felt it was her duty and could hardly wait till he died so she could go to the city and write.

So of course when the town newspaper got wind of this, it left no stone unturned. It cried out that justice had to be done and even went so far as to imply that, "It would have been easy for the person who cooked his meals and looked after the sick old man to slip a bit of arsenic into his food." This was the statement which got Margot arrested and this was the statement which got Margot charged with first degree murder in the death of her father, Hugh Ames.

When the date of her trial finally rolled around, the courtroom was packed. She was sure that every man or woman who had ever held a grudge against her was sitting out there, ready to testify that she had a violent temper and obviously hated her father, ready to testify that if pushed she was probably capable of murder. "This trial," she thought, "will show who my real friends in this town are."

Apparently Margot had no real friends in the town, because every testimony was against her. They called the coroner to the stand so he could verify his first statement as the cause of death and also as to the time of death.

By the end of the day the District Attorney had called half the townspeople to the stand to testify about Margot's fierce temper and other pertaining characteristics. And to each one Margot's lawyer asked the same question. "Do you like Margot Ames? And each time the answer was a flat, "No!"

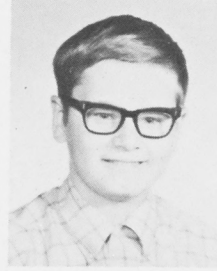

After two days of a trial where nothing was proved except everyone's intense dislike for Margot, the State rested its case, and so did the defense. And after another hour of debate the jury found Margot Ames not guilty of murder in the first degree because of insufficient evidence.

With that the courtroom was cleared with whispered conversations echoing throughout, of "She was obviously guilty," and "She probably paid the jury off!"

Within four hours Margot was on a train headed for New York and her new life as a professional writer.

Now as she sat on a bench in Central Park, she wondered how she could even think of going back to that town full of phonies after it had embarrassed her and treated her like dirt. She laughed a little as she took a little vial out of her purse and read the label. "Arsenic!" How she had fooled them all!

## THE END OF A DAY

P-t-t-eet! The shrill whistle broke the calm of the morning. Immediately a streaking bundle of fur responded, chasing the stubborn sheep to the crude pen. It was the start of a new day for the shepherd. The sun had finished its long climb to its place in the clouds, its bright and life-giving rays filtering down to the earth. The old shepherd watched the young dog acting on his whistle commands. He was very tired today. After the long work of herding the sheep into the pen, he and his faithful companion trudged into the shack which was his home. The man lay down on a small bed and closed his eyes, with the dog nearby, resting his head on his paws.

Hours passed, and still the shepherd did not stir. The dog moved to the man's side and nudged him, knowing little that his master would not wake again. Time flew on and again and again the dog rose, nudged, and quietly lay down.

Then, whining pitifully, he edged to the door, took a last look, and slipped off into the dark of the night. His master was gone. . . .

## A STRANGE FATE

Dr. Bill Smith was tired of being laughed at, so he built a time machine. A scientific genius, his thoughts and discoveries were far ahead of his time. His purpose: to travel back to medieval England, bringing along three commonplace objects. Inside he stepped, on went the power switch, and suddenly he blacked out. He awoke inside a stone building, a castle no doubt. Then, two guards rushed in. Still struggling, he was placed before the Queen of England.

"Observe, O mighty Queen", chanted Bill, "with a flip of my thumb this package will burst into flame", and out came a lighter, as the whole council and the queen burst into laughter. Click! Click! Click! "What's the matter?" thought Bill. "No fluid, I guess". But then he had a camera. He pointed it toward the queen, but a suspicious guard thrust his spear in the direction of Bill. Startled, Bill dropped the camera, exposing the film. Peals of laughter streamed into Bill's ears.

"But, this next one will knock 'em dead." Out came a radio, and he claimed he would pull music out of the air, but then it occurred to him, "No radio stations"! The chief vizeor feared he was making mockery of the throne, but because of his amusing antics, he was ordered to be court jester. Fate is strange indeed, for what he attempted to escape had become his very lifeline.

## THE CANDY-CANE POLE

You probably have, at one time or another, read a comic strip dealing with the haphazard visit of a young boy to a barber shop. If you have, you most likely smiled or perhaps even chuckled a bit, but no doubt you thought of it as little more than a ridiculous comic strip and you never even considered the idea that such a thing could actually happen. However, it can and does happen; I know because I was once the central character of such a cartoon adventure.

When I was young my father did all of the barbering in our house, as did the fathers of most of my unfortunate companions. The ordeal took place about once a month, and I often wished my father would forget. It seems though, that he had an excellent memory, so good in fact, that I often wondered if he shouldn't have been born an elephant instead. So, when the time arose, contrary to my wishes, I would receive a hair cut. Then, one day, fortune struck; the day had come and my father's shears were nowhere to be found. It was discovered later, that my mother, in cleaning the closet, had conveniently left them buried beneath a mountain of cardboard boxes. Apparently all hope was not lost for me and I gloried in the feeling of victory. Meanwhile, my parents suggested to one another that I pay a visit to a barbershop. Well this was really my lucky day; not only was I free of a hair cut, but I was also going to a barber shop!

Now it occurred to me, as we pulled up to the curb, that I had never been to a barber shop and had no idea what it was. Then to my amazement, in front of a small building I saw a colossal candy-cane with a monstrous gum-drop on top and I figured that a barber shop must be the world's greatest candy store. Entering, I was quite disappointed to find that there were no candy counters. Instead there were three huge padded armchairs with foot and head rests, two of which were occupied by curiously bibbed men. Behind the chairs were large mirrors, under which were numerous shelves, well stocked with diverse bottles and an assortment of other curios. Then the remnants of my expectations were crushed with the dreaded sound of hair clippers. I reeled around but was snatched up swiftly by the arms and planted abruptly in one of the huge armchairs. I struggled furiously as the barber draped a huge white cloth over my eyes, probably the blindfold before the execution. I saw that this was not as he intended it, because he then proceeded to wrap it around my neck in a deliberate attempt to strangle me. Terror-stricken, I lashed out savagely and in a brief skirmish, the barber sustained a bruised knee-cap and a fractured elbow. My father leaped to restrain me as the barber completed fastening my halter. The barber then began tinkering with a myriad of strange gadgets of which only one was familiar, the shears. My muscles tensed as he approached me and I detected a definite glimmer of lust in his eyes.

Then, with the gentleness of a wrestler, he attacked my head. Within moments my beautiful hair, the rewards of a full month's growth, lay on the floor and my head was a barren wasteland. My bib having been removed, I sank sheepishly to the floor and headed towards the door as my father paid the uncouth mercenary. My pride destroyed and my head air-conditioned, I departed knowing that I would never eat another candy-cane.

## THE UNKNOWN FEAR

I lay, still and quiet. The silence, unnerving as it was, filled the room so that the air seemed infested with its very presence. Suffocating, I dared to take another slow, prolonged breath. What lay in wait for me behind the curtain? A creature so terrible that its intelligence and capability could not be comprehended by the human mind? I wondered. Tension built up in me; a choked scream burst forth from my dry, cracked lips; then darkness, relief and numb thoughts of home.
